According to the place that we are right now, the process of developments and aim, the future of Bilge Inox is to be a global brand and a cooperation, that he is already on the road. For making our success on going in a well rounded, competitive international market, we will keep going on the process of being more corporate on aiming our targets, with putting our view to modern and scientific way to develop our corporate identity, not only from the top, but to the whole, in the way of scientific organisational principals and rules. Nothing would be same again, while the borders and geographies of the countries are changing according to the new world order. We are going on our way according to our middle & long term strategic plans and renew our aims. Through this, since now our company has made a justifiable success and make effort for developing the national economics and his sector and become a trustworthy, respected company. We proceed on our way with new approaches and medium & long term strategic plans, that we prepare. In this regard, our cooperation has contributed to the national economy up to today, thanks to its long years of expertise, experience and its position in the market and achieved a prestigious, reliable and a deserved success.

Kuruluşundan bu yana gösterdiği gelişimin seyri ve bulunduğu nokta itibariyle Bilgeinox'un bundan sonraki süreci "Dünya Markası ve Dünya Şirketi" olma sürecidir ve fiilen bu yola girmiş bulunmaktadır. Çok yönlü ve yoğun rekabetin sürdüğü dünya pazarlarında başarıyı sürekli kılabilmemiz için; Yönetimde, çağdaş ve bilimsel yönetim ve işletmecilik prensiplerini esas alan, kuruluşumuzun bugünkü ve gelecekteki hedeflerine yönelik, bilimsel organizasyon prensip ve kriterlerine göre yapılarak, sadece tepede değil her kademede kurumsallaşmayı geliştireceğiz yeni dünya düzeninde ülke coğrafyaları değişirken ve sınırlar yeniden çizilirken hiçbir şey eskisi gibi olmayacaktır. Bizler orta ve uzun vadeli hazırladığımız stratejik planlarla yolumuza yeni yaklaşımlarla devam etmekteyiz.

Bu yönde şirketimiz bugüne kadar uzun yıllar sektördeki konumu, birikimi ve tecrübesi ile sektöre ve Ülke ekonomisine değer katmış saygın güvenilir ve haklı bir başarı elde etmiştir.
